Workplace Supervisor Name:	Mr. Hakim Falul
Date:	26/ 6/ 2021

1. Description of activities, including projects, tasks, roles, and achievements ***

March 20ᵗʰ – March 31ˢᵗ

Project Kurulugedara –

- Started to design the prototype for the Kurulugedara using Invision studio.
- After completing the prototype started to create the site Created the home page and the layout to display the properties in the page and the pagination.
- Created the search bar with filters in the home page.
- Created the page to see more details of the properties after the user selects a property.

April 1ˢᵗ – April 30ᵗʰ

Project Kurulugedara –

- Worked on the CSS of both pages to make the pages more responsive.
- Started creating the function that is needed in the sellers profile.
- The property update function, property deactivate function, property appointments display.
- After I created the functions that are needed in the buyer's profile.
- After that I worked on creating the admin's profile displaying the properties that has requested to update and the function to give access and decline access.
- After I worked on the CSS of the remaining pages to make the pages more responsive**.**

Project Job Katta –

- Researched about how to integrate all the payment gateways of Job Katta, Kurulugedara and Vroom Vroom.
- Started making changes in the payment gateway of Job Katta so that other payment gateways could be integrated.

May 1ˢᵗ – May 31ˢᵗ

Project Job Katta –

- Worked on the database connection of the site adding GLOBAL WPDB to Job Katta.
- Fixed errors on the site.

- Researched about integrating 3rd party platforms to Job Katta.

Project Kurulugedara –

- Started to work on adding the payment gateway to Kurulugedara and completed adding the functions.
- Created an appointment verification to let the seller verify the appointment was held or not.

June 1st – June 25th

Project Kurulugedara –

- Started to work on the payment gateway again, creating the response page and modifying the functions in the page.
- Worked on the admin's profile adding the admin privileges over Kurulugedara.

Project Job Katta –

- Started to work on creating the group function for Job Katta, created the layout and added the MySQL queries.
- Created the groups page, the layout and the tabs inside the page.
- Currently working on the organization group functions.

2. Description of any internal/external training undertaken *******

● Creating prototypes was new for us so we had to learn it before starting to create any.

3. Reflection on your learning (e.g. skills and knowledge gained) from the above

● Learned how to create a prototype for a site using Invision studio.
● Learned how to create a theme in WordPress.

4. Identify any areas requiring improvement (if any)

● Have to improve the timing of my work. Need to get the work done as efficiently.

5. Your goals or targets for the next couple of months based on areas requiring improvement (if any)

● Complete the projects that we are working on.
● Gain as much knowledge that I can get working in the next few months.

6. Describe and evaluate your own skills in relation to the graduate attributes and the professional skills needed in the sector

● I'm perfectly able to communicate with my teammates and complete the work at hand with them. I have improved my teamwork skills during the past few months.
● I have obtained the knowledge of working with WordPress. Before my internship, I didn't have any experience working with WordPress.
● I didn't have any knowledge of creating prototypes and designing, but now I have gained some knowledge of it.

Once you have addressed the points (outlined in questions 1-5), ask your supervisor to assess your performance for the month using the following table.
	Below expectation	Satisfactory	Above expectation	Outstanding	N/A
Attitude to work				X	
Quality of work				X	
Productivity				X	
Literacy and Communication skills				X	
Critical Thinking skills				X	
Reliability				X	
Global Outlook				X	
Suitability of future goals (refer to question 5)				X	
Overall Achievement				X
